

## Inside the Psychiatry Academy

News, Information, & Events for Members of the Massachusetts General Hospital Psychiatry Academy

MASSACHUSETTS  
GENERAL HOSPITAL  
PSYCHIATRY ACADEMY

September 2016

### Registration Open for Autism Conference

We are proud to invite you to register for our conference Autism Spectrum Disorders Across the Life Span. It takes place January 21-22, 2017, in Boston, MA. The conference offers a broad review of advances in research, genetics, diagnostic tools, and treatments. See our agenda to learn more.

### Free Event on Managing Kid's Behavioral Health

If you're in the Boston area, encourage patients and families to join our free symposium on Saturday, September 24. Our faculty experts offer an update on new research across ADHD, OCD, moodiness, disruptive disorders and more. It includes presentations by parents and interactive talks on parenting children with anxiety, eating disorders and personality disorders.

### Events and Education for Recovery Month

Learn about all the events and education at Mass

General during Recovery Month. This reflects our commitment to increase awareness and understanding of mental and substance use disorders. It is important for families, communities, and individuals to share stories of recovery and encourage others to connect with the recovery movement.
