

## **5th Annual Conference on Precision Psychiatry**

Thursday, September 25th- Friday, September 26th, 2025

*Live-Stream*

### **WELCOME**

On behalf of the Massachusetts General Hospital Department of Psychiatry, we are proud to welcome you to our 5th Annual Conference on Precision Psychiatry.

The Annual Conference on Precision Psychiatry, hosted by the MGH Center for Precision Psychiatry, is becoming a leading venue for showcasing advances in the application of precision medicine approaches to psychiatric research and clinical practice. The Conference will be held virtually over the course of two days: Thursday, September 25th, and Friday, September 26th, 2025

Thank you for joining us at this important conference!

### **TARGET AUDIENCE**

This program is intended for clinicians, researchers, trainees, students, investors, industry leaders, and all those interested in mental health, healthcare innovation, and research across all geographic locations.

### **EVALUATION FORMS/CME/CEU CERTIFICATES**

Every participant needs to complete the activity evaluation online to claim CME/CEU credits for this course. Please refer to the **Evaluation and CME Information** document in this syllabus for more information. We strongly encourage you to complete the evaluation, even if you do not require a certificate. Your comments are important to us as we plan future programs. The link to claim credit is as follows:

<https://mghcme.org/Precision2025>

For questions with completing your evaluation or claiming your certificate, please call the MGH Psychiatry Academy at 866-644-7792 or email [mghcme@mgh.harvard.edu](mailto:mghcme@mgh.harvard.edu)

### **COPYRIGHT**

The course materials and PowerPoint presentations are copyright protected by Massachusetts General Hospital, Department of Psychiatry, Division of Postgraduate Education, the faculty members and the appropriate authors. Videotaping and audiotaping are not allowed. Thank you for your cooperation.

### **CONTACT INFORMATION**

For questions or comments, please contact MGH Psychiatry Academy member services at 866-644-7792 or [mghcme@mgh.harvard.edu](mailto:mghcme@mgh.harvard.edu)

### **LEARNING OBJECTIVES**

At the end of this educational activity, participants should be able to:

- Analyze the potential impact of precision psychiatry tools, outcomes, and techniques in research and clinical practice.
- Evaluate the role of precision psychiatry in predicting treatment response and developing targeted interventions for individuals with mental health conditions.

## **5th Annual Conference on Precision Psychiatry**

Thursday, September 25th- Friday, September 26th, 2025

*Live-Stream*

- Identify the key concepts, methodologies, and challenges related to the use of AI and machine learning in precision psychiatry.
- Evaluate the value of digital technologies in improving mental health conditions for patients.
- Discover how genomics and precision therapeutics can be utilized for personalized mental health treatments.
- Identify the ethical, legal, and social implications of precision psychiatry and discuss and evaluate strategies to address these issues.
- Develop strategies to enhance collaboration among researchers, clinicians, patients, and stakeholders to advance the field of precision psychiatry.
- Describe the importance of implementation science in the successful integration of precision psychiatry into clinical practice.

### **ACCREDITATION**

#### **Physicians:**

MGH Institute of Health Professions designates this live activity for a maximum of 8 *AMA PRA Category 1 Credits*™. Physicians should claim only credit commensurate with the extent of their participation in this activity.

#### **Psychologists:**

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs. MGH Institute of Health Professions designates this activity for 8 CE credit.

#### **Nurses:**

MGH Institute of Health Professions designates this activity for 8 contact hours for nurses.

#### **Social Workers:**

As a Jointly Accredited Organization, MGH Institute of Health Professions is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an

individual course may be accepted for continuing education credit. MGH Institute of Health Professions maintains responsibility for this course. Social workers completing this course receive 8 clock hours for continuing education credits.

## 5th Annual Conference on Precision Psychiatry

Thursday, September 25th- Friday, September 26th, 2025  
*Live-Stream*

### IPCE Credit

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive 8 Interprofessional Continuing Education (IPCE) credits for learning and change.

**Other CE Licenses:** Other Providers can claim a Participation Certificate upon successful completion of this course. Participation Certificates will specify the title, location, type of activity, date of activity, and number of *AMA PRA Category 1 Credits™* associated with the activity. Providers should check with their regulatory agencies to determine ways in which *AMA PRA Category 1 Credits™* may or may not fulfill continuing education requirements. Providers should also consider saving copies of brochures, agenda, and other supporting documents.

### AGENDA

## 5<sup>th</sup> Annual Conference on Precision Psychiatry

Thursday, September 25<sup>th</sup> - Friday, September 26<sup>th</sup>, 2025

DAY ONE: Thursday, September 25<sup>th</sup>, 2025 (12:00 PM - 4:20 PM EDT)

Time	Content	Speaker
12:00pm–12:10pm	Welcome Remarks	<b>Jordan Smoller, MD, ScD</b> Director, MGH Center for Precision Psychiatry; Professor of Psychiatry, Harvard Medical School; Director, Psychiatric and Neurodevelopmental Genetics Unit, MGH Center for Genomic Medicine
12:10pm–12:40pm	Conference Keynote	<i>To Discover Biomarkers for Precision Psychiatry We Must Retire the DSM</i>  <b>Steven E. Hyman, MD</b> Core Institute Member and Director, Program in Brain Health, Broad Institute of Harvard and MIT Harvard University Distinguished Service

## 5th Annual Conference on Precision Psychiatry

Thursday, September 25th- Friday, September 26th, 2025  
*Live-Stream*

		Professor & Harald McPike Professor
12:40pm–1:00pm	<b>Moderated Discussion/Q&amp;A:</b>  <b>Moderator: Jordan Smoller, MD, ScD</b> Director, MGH Center for Precision Psychiatry; Professor of Psychiatry, Harvard Medical School; Director, Psychiatric and Neurodevelopmental Genetics Unit, MGH Center for Genomic Medicine	
1:00pm–1:05pm	<b>Brief Section Introduction</b>	
1:05pm–1:50pm	<b>Ensuring an Equitable Future for Psychiatric Precision Therapeutics</b>	
1:05pm–1:50pm	<b>Panel Moderator:</b> <b>Benjamin Le Cook, PhD</b> Morris E. Chafetz Professor of Psychiatry in the Field of Behavioral Sciences, Department of Psychiatry, Harvard Medical School Vice Chair of Research, Department of Psychiatry, Cambridge Health Alliance	<b>Francisco A. Moreno, MD</b> Associate Vice President, University of Arizona Health Sciences- Equity, Diversity, and Inclusion Tenured Professor of Psychiatry, College of Medicine- Tucson  <b>Michelle N. Meyer, PhD, JD</b> Chief Bioethics Officer, Associate Professor, Chair of the Department of Bioethics and Decision Sciences, Geisinger College of Health Sciences  <b>Shazia Siddique, MD, MSHP</b> Assistant Professor, Gastroenterology, Perelman School of Medicine, University of Pennsylvania
1:50pm–2:00pm	<b>BREAK</b>	
2:00pm–2:05pm	<b>Brief Section Introduction</b>	
2:05pm–3:25pm	<b>In Search of Precision Biomarkers</b>	

## 5th Annual Conference on Precision Psychiatry

Thursday, September 25th- Friday, September 26th, 2025  
*Live-Stream*

2:05pm–2:25pm	<p><i><b>Causal Diversity in Precision Psychiatry</b></i></p> <p><b>Dani S. Bassett, PhD</b> J. Peter Skirkanich Professor, University of Pennsylvania</p>	
2:25pm–2:45pm	<p><i><b>Tapping into Cognition: Connecting Brain Imaging and Digital Biomarkers for Precision Psychiatry</b></i></p> <p><b>Olusola Ajilore, MD, PhD</b> University of Illinois Center for Depression and Resilience (UI CDR) Professor of Psychiatry, University of Illinois-Chicago College of Medicine</p>	
2:45pm–3:05pm	<p><i><b>Mapping Brain Circuit Targets for Neuromodulation</b></i></p> <p><b>Michael Fox, MD, PhD</b> Director, Center for Brain Circuit Therapeutics, Brigham and Women's Hospital</p>	
3:05pm–3:25pm	<p><b>Highlighted Discussion/Q&amp;A:</b></p> <p><b>Moderator: Dost Öngür, MD, PhD</b> Chief, Division of Psychotic Disorders, McLean Hospital; William P. and Henry B. Test Professor of Psychiatry, Harvard Medical School</p>	
3:25pm–3:30pm	<b>Brief Section Introduction</b>	
3:30pm–4:15pm	<b>New Directions for Precision Therapeutics</b>	
3:30pm–4:15pm	<p><b>Panel Moderator:</b> <b>Joan Camprodón-Gimenez, MD, PhD, MPH</b> Chief, Division of Neuropsychiatry &amp;</p>	<p><b>Susan Whitfield-Gabrieli, PhD</b> Associate Director, MGH Center for Precision Psychiatry</p> <p><b>Prof. Hugh Marston, PhD</b> Senior Vice President, Global Head</p>

## 5th Annual Conference on Precision Psychiatry

Thursday, September 25th- Friday, September 26th, 2025

*Live-Stream*

	Neuromodulation, Massachusetts General Hospital, Associate Professor of Psychiatry & Neurology, Harvard Medical School	of Neuroscience & Mental Health, Boehringer Ingelheim
<b>4:15pm–4:20pm</b>	<b>Closing Remarks</b>	

DAY TWO: Friday, September 26<sup>th</sup>, 2025 (9:00 AM - 1:50 PM EDT)

Time	Content	Speaker
<b>9:00am–9:10am</b>	<b>Welcome Remarks</b>	<b>Jordan W Smoller, MD, ScD</b> Director, MGH Center for Precision Psychiatry; Professor of Psychiatry, Harvard Medical School; Director, Psychiatric and Neurodevelopmental Genetics Unit, MGH Center for Genomic Medicine
<b>9:10am–9:40am</b>	<b>Conference Keynote</b>	<i><b>French Program on Precision Psychiatry</b></i>  <b>Marion Leboyer, MD, PhD</b> Professor and vice-chair of the Dept of Psychiatry & Addictology Mondor Hal, AP- HP, Univ Paris Est Créteil; Director, Translational NeuroPsychiatry laboratory, Inserm U 955; CEO, Fondation FondaMental
<b>9:40am–10:00am</b>	<b>Moderated Discussion/Q&amp;A:</b>  <b>Moderator: Jordan Smoller, MD, ScD</b> Director, MGH Center for Precision Psychiatry; Professor of Psychiatry, Harvard Medical School; Director, Psychiatric and Neurodevelopmental	

## 5th Annual Conference on Precision Psychiatry

Thursday, September 25th- Friday, September 26th, 2025  
*Live-Stream*

	Genetics Unit, MGH Center for Genomic Medicine
10:00am–10:05am	<b>Brief Section Introduction</b>
10:05am–11:05am	<b>AI in Precision Psychiatry</b>
10:05am–10:25am	<p><i>AI Beyond Evil Robots</i></p> <p><b>Roy Perlis, MD, MSc</b> Editor in Chief, JAMA+ AI; Director, Center for Quantitative Health, Massachusetts General Hospital</p>
10:25am–10:45am	<p><b>John Torous, MD, MBI</b> Director of the Division of Digital Psychiatry, Beth Israel Deaconess Medical Center; Associate Professor of Psychiatry at Harvard Medical School</p>
10:45am–11:05am	<p><b>Highlighted Discussion/Q&amp;A:</b></p> <p><b>Moderator: Chris Kennedy, PhD</b> Researcher, Center for Precision Psychiatry; Instructor in Psychiatry, Harvard Medical School</p>
11:05am–11:10am	<b>Brief Section Introduction</b>
11:10am–12:10pm	<b>Real-World Implementation of Predictive Risk Models: Health and Beyond</b>
11:10am–11:30am	<p><i>Ethical Challenges in Implementing Genetic Risk Predictions for Educational Attainment</i></p> <p><b>Maya Sabatello, LLB, PhD</b> Associate Professor of Medical Sciences, Department of Medicine and Department of Medical Humanities &amp; Ethics, Columbia University</p>
11:30am–11:50am	<i>From Publication to Pragmatic Trial: Barriers and Facilitators to</i>

## 5th Annual Conference on Precision Psychiatry

Thursday, September 25th- Friday, September 26th, 2025  
*Live-Stream*

	<p><b><i>Deploying Healthcare AI</i></b></p> <p><b>Colin Walsh, MD, MA, FACMI, FAMIA, FIAHSI</b> Associate Professor of Biomedical Informatics, Medicine and Psychiatry, Vanderbilt University Medical Center</p>
11:50am–12:10pm	<p><b>Highlighted Discussion/Q&amp;A:</b></p> <p><b>Moderator: Stephen Bartels, MD, MS</b> Director, The Mongan Institute, James J. and Jean H. Mongan Professor of Health Policy and Community Health, Professor of Medicine, Harvard Medical School, Professor Social and Behavioral Sciences, Harvard T.H. Chan School of Public Health</p>
12:10pm–12:20pm	<b>BREAK</b>
12:20pm–12:25pm	<b>Brief Section Introduction</b>
12:25pm–12:55pm	<b>Emerging Innovators in Precision Psychiatry</b>
12:25pm–12:35pm	<p><b><i>Mathematical and Computational Modeling of Suicide as a Complex Dynamical System</i></b></p> <p><b>Shirley B. Wang, PhD</b> Assistant Professor, Department of Psychology, Yale University</p>
12:35pm–12:40pm	<p><b>Highlighted Discussion/Q&amp;A:</b></p> <p><b>Moderator: Susan Whitfield Gabrieli, PhD</b> Associate Director, Center for Precision Psychiatry</p>
12:40pm–12:50pm	<p><b><i>Psychedelics as Immune Modulators of Brain Plasticity in Stress-Related Disorders</i></b></p> <p><b>Michael A. Wheeler, PhD</b> Assistant Professor of Neurology, The Gene Lay Institute of Immunology and Inflammation, Ann Romney Center for Neurologic</p>

### **FACULTY**

In accord with the disclosure policy of McLean Hospital as well as guidelines set forth by the Accreditation Council on Continuing Medical Education, all people in control of educational content, including speakers, course directors, planners, and reviewers, have been asked to disclose all financial relationships with ineligible companies for the past 24 months, as defined below:

#### **Ineligible Companies**

The ACCME defines an “Ineligible company” as “those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.” For more information, visit [accme.org/standards](https://www.accme.org/standards)

#### **Financial relationships**

Financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received, or expected.

#### **Mitigation of Financial Relationships**

All financial relationships are reviewed to determine which ones are relevant, and then measures are taken to mitigate all relevant financial relationships and ensure that they do not insert commercial bias into the content of the education.

## **5th Annual Conference on Precision Psychiatry**

Thursday, September 25th- Friday, September 26th, 2025

*Live-Stream*

The following planners, speakers, content reviewers, and others in control of educational content have reported financial relationships with ineligible companies over the past 24 months. Measures have been taken to mitigate the impact of these financial relationships on the educational content and ensure that they do not insert commercial bias into the content of this education.

### **Speakers & Planners:**

#### **Olu Ajilore, MD, PhD**

KeyWise AI: Stock, Co-Founder

Embodies Labs, Blueprint Health: Stock, Advisory Board

Otsuka Pharmaceutical: Consult fees, consult

#### **Nick Brandon, PhD**

Neumora Therapeutics: Salary, Stock, Stock Options, Full-time employee

Kisbee Therapeutics, Convergence Therapeutics: Fee, Advisor

#### **Joan Camprodon, MD, PhD, MPH**

Flow Neuroscience: Stock options and Consult Fees, Scientific Advisory Board

Neuroelectrics: Consult fees,

#### **Maurizio Fava, MD**

See link: <https://mghcme.org/maurizio-fava-bio-disclosure/>

#### **Michael Fox, MD, PhD**

Magnus Medical Soterix, Tal Medical MDC Venture Capital, Abbott, Boston Scientific: Consultant fee, consult

#### **Magali Haas, MD**

Psilera Inc: Sock Options, Board Membership

#### **Steve Hyman, MD**

Voyager Therapeutics, Cyclarion Therapeutics, Vesalius Therapeutics: Options, fee, Director

J & J Innovative Medicines F-Prime Capital, Fee, Scientific Advisory Board

#### **Husseini K. Manji, MD, FRCPC**

Alto Neuroscience, Apollo Therapeutics, Emoryrean: Stock Options, Board Member, Strategic Advisor

Neuroscience Otsuka: Options Consulting Fees, Chair Consulting

#### **Hugh Martson, PhD**

Boehringer Ingelheim Pharma GmbH & CoKG: full time employer

## **5th Annual Conference on Precision Psychiatry**

Thursday, September 25th- Friday, September 26th, 2025

*Live-Stream*

### **Francisco Moreno, MD**

LivaNova: Compensation, Chair of DSMB for clinical research only

### **Dost Öngür, MD, PhD**

Rapport Therapeutics: Person Fee, Advisory Meeting Board

### **Roy Perlis, MD**

Genomind, Alkermes, Circular Genomics: Consulting Fee, Scientific Advisor

JAMA: Fee, Editor

### **Maya Sabatello, LLB, PhD**

NIH, All of US IRB committee: \$2500 annually, serving as a member of the committee

### **Jordan Smoller, MD, ScD**

Sensorium Therapeutics, Inc: Scientific Board

### **Susan Sprich, PhD**

Royalties: Oxford University Press; Springer

Honorarium (associate editor of a journal): Association for Behavioral Cognitive Therapies

### **John Torous, MD**

Otsuka: Research Support, Investigator Initiated Research

### **Colin Walsh, MD MA, FACMI, FAMIA, FIAHSI**

Mullan Pharmaceutical Newport Health-Consulting fee, non-speaking

Humana-Consulting fee, non-speaking

**All other individuals in a position to control the content of this educational activity have reported no financial relationships with ineligible companies.**
